

# Nikunj Tyagi

Product Designer — Portfolio

## EXPERIENCE

---

### Air IQ

Gurgaon, India

*Product Design Intern*

*November 2025 – Present*

- Designed key flows for a B2B flight booking agent portal, including itinerary search, booking, and confirmation across responsive desktop and mobile interfaces.
- Collaborated with product managers to refine requirements and contributed to improving the overall booking workflow.

### Freelance Product Designer

Remote

*Product Design Consultant*

*March 2025 – September 2025*

- Worked with stakeholders on UX research and product workflows for a B2C healthcare platform focused on Alzheimer's and Autism care support, translating requirements into user-centered modules and interaction flows.

### Infosys

Mysore, Karnataka

*UI/UX Design Intern*

*June 2024 – July 2024*

- Designed UX flows for an iOS Library Management System during a summer internship, collaborating with product owners and a team of 10 developers to translate SRS requirements into structured user flows and interface designs.

## PROJECTS

---

### BiblioFi – Library Management System

[Link](#)

- Designed the UX structure and interface flows for an iOS-based library management system to streamline book search, issuing, and return workflows.
- Collaborated with a team of 10 developers to translate SRS requirements into wireframes and structured user flows.

### B2B Flight Booking Agent Portal

[Link](#)

- Designed key workflows for a B2B flight booking platform including itinerary search, booking, and confirmation across responsive desktop and mobile interfaces.
- Worked with product managers to refine requirements and improve the end-to-end booking experience for travel agents.
